THE MAGIC OF SCIENCE!

Come join us for 3 fun-filled weeks of Science Summer Camp

Weeks and Themes
Week 1 (June 17-21)
 ❑ **9am to noon: Basic Coding 1**
Week 2 (June 24-28)
 ❑ **9am to noon: Basic Coding 2**
Week 3 (July 8-12)
 ❑ **9am to noon: Harry Potter's World of Potion (Chemistry)**

Location: Sundance Elementary School, Science Lab
Grade: K through 5 (ages 5-11 years)

**Fees: A $50 non-refundable registration fee will apply for each of the 4 camps.
Per camp fees are: $200 for weeks 1 and 2, and $130 for week 3 camp.
All materials fees are included. Early bird, Multi-week and Sibling discounts available.**

Daily Schedule
9am -10:15 am: Introduction to topics of the day and short science videos
10:15am- 10:30am: Snack break [BYO]
10:30am-12pm: Experiments and Project time

At the Harry Potter camp children will be introduced to basic principles of Science, in accordance with each week's theme, through relevant experiments.

Coding: Students will learn the fundamentals of creating a website, designing web pages and coding - html, object-oriented programming (Javascript). The campers will also learn Microsoft Office 365 which is the leading cloud-based service in the business enterprise. (70% of Fortune 500 companies are using Office 365.) Students will present their website to engineers at Microsoft on the last day of camp. Campers need to bring their own laptop/tablet.
